## February 22 Meeting

### Program

The program includes two short videos, "Collecting Perfins" and "What's the Deal With Pen Cancels?" The first video discusses a history of perfins on stamps, perfin machines, and how to identify the companies that used the perfins on stamps. The second video discusses why some stamps on envelopes are cancelled with ball point pens and markers. The video also shows a variety of pen cancels used to deface stamps.

### Auctions

We will have both silent and live auctions with lots of new material. Please come early if you are bringing items for sale in the live auction.

### 2022 Dues Reminder

A few people still owe 2022 dues (\$10 per member or \$15 for a family). If you receive your newsletter by mail, check your address label. Labels with "2021" still need to be paid.

## March 8, Board Meeting and Stamp Mixture Night

Purchase stamps from mixtures and worldwide collections that the club continues to buy. This includes a new batch of albums and other new material to sort through, some starting at only 8 cents each. This is a great way to purchase stamps at very reasonable prices!

- March 22, IEPS meeting
